Changes to the Fall Party Plans:

At our second meeting of the year, we responded to a request from the teachers and staff - regarding the Annual parties that each classroom has.

In part, because of the often significant difference in party participation by parents, and in part due to loss of academic time, it was agreed that students in grades 1 - 5 will no longer dress in costumes for the Fall Party. 4K and 5K students will be the only ones who will dress up and give a parade to the residents at Willowfield. The other grades will adopt Willowfield for another month and do some other activity with them.

The second significant change will be that a committee of WPAC members will design a healthy menu for classroom parties - to request from parents. This will keep our school in line with Wellness requirements, as well as make parties more equitable among classrooms.

Watch for Ski Club Information

A flyer regarding proposed Ski Club information will be arriving within the next few weeks.

We are trying to get this information out to families earlier this year, to encourage participation - might be a possible holiday gift?!?!)

Annual Coat Drive

Many of our students are in need of winter gear - coats, hats, warm gloves, snow pants and boots.

If your child is in need of a winter coat, hat, gloves, boots or snow pants, please complete the form requesting items - the form was in the last school newsletter, or is available in the school office.
